START A CAREER WITH VERTEX TODAY!**VERSATILITY. EXPERTISE.**

With these two words, Vertex makes the promise that we will always be versatile in developing solutions to our clients' unique needs and that we will always demonstrate expertise in our designated fields. We encourage our employees to think and develop the best solutions for our clients. If you think you have what it takes to play for the Vertex team, please apply.

Established in 1976, Vertex is a leading North American provider of environmental and industrial services. We service clients in the oil and gas, midstream, utilities, mining, forestry, agriculture, and the municipal real estate sector with three operating divisions: consulting, construction and oilfield services.

With a track record of success, Vertex provides an environment where people thrive. We recognize that each member brings a valuable skillset to the Vertex team. We make health, safety and community well-being a priority by supporting numerous endeavors at each of our locations across North America.

Vertex offers a fast-paced environment where priorities shift from day to day, but the expertise of our team allows these changes to occur smoothly. At Vertex, we value teamwork through collaboration within each division or office and provide support across the entire organization.

OVERVIEW

Vertex offers a modern, company-owned and maintained fleet of haulers, vacuum, hydro-vac, pressure, water and steam trucks capable of meeting all drilling, production, and turnaround to meet the needs of our clients.

Vertex is currently accepting applications for one full-time, permanent Steam Truck Operator. The successful candidate must be an experienced Steam Truck Operator and have valid oil fields safety tickets.

CANDIDATE QUALIFICATIONS

- High school diploma or higher education
- Valid Class 3 driver's license with a clean abstract
- Minimum 2 years experience operating one or more of the following units: Steam, Hydrovac, Combo, Vacuum Truck or Pressure Truck
- Possess safety tickets including but not limited to First Aid/CPR, Construction Safety Training (CSTS), Ground Disturbance, Transportation of Dangerous Goods (TDG), Confined Space and H2S Alive
- Demonstrate a commitment to environmental compliance and safe work practices
- Ability to work independently while managing time and productivity
- Must be in good health and physical condition to perform duties assigned
- Integrity and reliability, willing to accept after hour calls when necessary

RESPONSIBILITIES

- Responsible for the operation of a steam truck and the equipment attached to the vehicle
- Ensure customer and client satisfaction by providing excellent customer service at all times
- Complete daily scheduled services in a timely manner
- Operate steam trucks and equipment in a safe and professional manner
- Complete and maintain all required paperwork and documentation properly within set time lines; this includes daily logs, dispatch and trip reports, demurrage and time sheets
- Perform pre and post trip inspections, follow company policies and procedures for routine maintenance, perform general housekeeping to ensure units are operating properly and report any inefficiency to Supervisor
- Follow all local, provincial and federal compliance regulations and rules
- Safely observe all company operating guidelines and procedures
- Observe all company environmental health and safety operating guidelines

LOCATION

- This position will be based out of our Valleyview, Alberta location.

ADDITIONAL INFORMATION

- Compensation is commensurate with experience.
