

SURFACE RENTALS

At Vertex, we know that any of the oilfield surface rental equipment we offer can be critical to the smooth running of your operations. This is why we offer a reliable maintenance program that ensures we will find and fix any minor issues that may arise. This program not only aids in creating an efficient work site, but it also helps to ensure the safety of your team when using any of our equipment.

With a timely and reliable delivery program, Vertex can set up and maintain all of the equipment we provide while minimizing any downtime.
