

WELLSITE ACCOMMODATIONS

Vertex offers modern, fully equipped wellsite accommodations and facilities that can be customized to meet your needs from drilling, production, completions, construction and more.

At Vertex we strive to be number one in the industry by bringing new innovations to the industry that help your workforce stay safe and get their jobs done. This is why our wellsite accommodations fleet is comprised of only the highest quality units built by leading manufacturers in Alberta and Saskatchewan.

With our dedicated oilfield hauling and knowledgeable service teams, we guarantee that you will have a great experience moving your team into one of our comfortable and efficient workspaces.
