

# COMBO ENVIRO WASTE BINS, WHEELED (8 x 20)

Ideal for project sites with limited space or for those wanting the convenience and functionality of numerous uses from a single rental, this unit is easily maneuvered on-site or relocated to other project locations to meet your needs. This economical unit offers cost savings through clients requiring fewer rental units as it includes a light tower/generator, fuel tank, washroom, and a waste/recycling facility in a single rental unit.

Vertex offers the following options for waste management and recycling:

- Segregated Enviro Bins
- General Waste Bins
- Cement Recovery Bins
- Sewage Containment
- Enviro Waste Bins:
  - Skidded
  - Wheeled
  - Combo, Skidded
