

ENVIRO WASTE BINS, SKIDDED (8 x 20)

A fully enclosed waste and recycling facility, this waste bin ensures all waste from your work site does not spread into neighboring communities. By having the waste bins enclosed within a trailer, the scent of disposed waste is limited to within the rental so that wildlife is not attracted. Our comprehensive and in-depth waste tracking system ensures all the waste we handle is dealt with in an appropriate manner.

Vertex offers the following options for waste management and recycling:

- Segregated Enviro Bins
- General Waste Bins
- Cement Recovery Bins
- Sewage Containment
