

CEMENT RECOVERY BINS

Features

- Sealed Unit
- Capacity of 9 Cube
- Hauled to an Approved Class II Landfill

These cement bins are offered at competitive flat rates (depending on location)

Vertex's cement recovery bins provide a bin option with stronger walls, which are shorter than the walls on traditional bins, to allow for the easy disposal of cement. Utilized on numerous construction, oil and gas, commercial, pipeline and industrial projects, these bins are able to be transported to site efficiently and cost effectively through Vertex's reliable delivery service.

Vertex offers the following options for waste management and recycling:

- Segregated Enviro Bins
- General Waste Bins
- Cement Recovery Bins
- Sewage Containment
- Enviro Waste Bins:
 - Skidded
 - Wheeled
 - Combo, Skidded
 - Combo, Wheeled
